PROFESSIONAL EMPLOYMENT

Present Employment

- Rehab Without Walls*
Part-time Case Manager September 2006 - present
Provision of case management input for children and adults with acquired brain injury, or spinal injury and who have complex rehabilitation and care needs. This involves assessing the need for care, case management and rehabilitation, provision of written proposals with costings, risk assessment and management, co-coordinating service provision across the statutory and independent sectors, managing devising and monitoring packages of care and rehab input for clients and supervising support workers.
- Bedfordshire Hospital NHS Trust*
P/T Senior Occupational Therapist January 1998 – present
Provision of a goal focused rehabilitation service to clients with a variety of neurological conditions, within their own home, with the aim of improving independence and quality of life.

3. *REMAP (National Charity - Voluntary Work)*
Occupational Therapy Advisor 1996 – present
 Assessment and provision of bespoke items of equipment for disabled clients where these items cannot be purchased standardly.
4. *Trustee & Therapy Team Leader* April 2004 - present
for Aid for Romania (Voluntary Work)

Previous Employment

1. *Bedford and Shires Health & Care Trust*
Senior Occupational Therapist March 1995 – January 1998
 Community based assessment of clients experiencing difficulties with activities of daily living, in their home and workplace.
2. *North Hertfordshire NHS Trust*
Senior Occupational Therapist 1989 – March 1995
 Provision of an in-patient OT service, to general medical wards, also to orthopaedic, surgical, plastic surgery, renal and rheumatology services. Provision of an out-patient service to wheelchair services.
3. *Bedford Hospital Trust*
Senior Occupational Therapist 1987 – 1989
 Provision of OT service to general medical wards. Setting up an out-patient service for clients with neurological deficits. Organising and providing OT service input to an inter-disciplinary support group for clients and their carers following stroke.
