

Lynn Goodall

Based In: Leicester
Background: Occupational Therapy

Lynn has experience of managing paediatric and adult clients with a high level of community risk. She has a proven track record of identifying resources, coordinating support staff and rehabilitation professionals; working with residential establishments to customise care plans and with clients in the community to maximise community living potential. Lynn has developed a particular expertise in working with clients with sensory loss, as well as families and ethnic minority clients. Her background in occupational therapy and Social Services means that she also has the expertise of working with relevant professionals to ensure her clients' accommodation needs are met.

CASE MANAGER & MENTAL CAPACITY ASSESSOR REHAB WITHOUT WALLS

AUGUST 2003 - PRESENT

Providing case management input for adults and children with acquired brain injury (including cerebral palsy) or spinal injury, who have complex rehabilitation and care needs.

This role involves:

- Assessing need for case management, care and rehabilitation
- Risk assessment and development of risk management strategies
- Designing, developing and monitoring multi-disciplinary rehabilitation packages
- Recruiting, training and managing support workers
- Coordinating services from the statutory and independent sectors

Alongside her role as a case manager, Lynn has developed expertise in assessing mental capacity and is available to carry out independent COP3 assessments.
